## Updating Contact List

There are some times that we need to get a message home during the week and because you are not expecting this message they get missed. We would like to update our email mailing list! Please fill in the attached form or email the school with your best contact email address. Please note that the newsletter will still be sent home on a Monday.

## Basketball

It is with disappointment I am having to email this out to schools as I know majority of the miniball participants are well behaved and respect the facilities and facilitators.

Please make sure all children and siblings are supervised as there was unacceptable Damage to the event centre on Wednesday.

Stairwell is out of bounds, the top door had been pushed in so it couldn't be opened from this side. And children were seen climbing up on to the window sill up over the railing.

In the Ladies changing rooms the shower curtains had been all taken down from both sides and the towel rails pulled off. And in the toilet the rubbish bin was tipped over all over the floor.

Ewan the property manager had to come down and fix the door. And Ash and I had to spend time putting the shower curtains and towel rails back up and picking up the rubbish of the floor.

There was lots of rubbish left behind in the stadium, can we also make extra effort to find the bin out front.

Cheers from Sharyn Tissingh

Basketball fees are now due. \$25 per player. Thank you to those who have paid.

Dear Parents/Caregivers

The BOT/Commissioner is unable to provide teaching for Students during the upcoming strike.

The NZEI has advised the Tauhei Commissioner that the teachers of our school will be taking strike action on 15 August 2018.

The Commissioner has carefully considered the availability of teaching staff, and unfortunately decided that we can't provide the normal teaching services during the strike. It is important that you make alternative arrangements for the care of your child/children on the day of the strike.

The school will need to close during this strike.

I know that this is inconvenient for parents and students alike, but please be assured that student safety is our main concern.

Thank you for your understanding. Please contact the office if you have any queries relating to this decision.

Yours sincerely

Chris Calver

Commissioner.
